

## Interior Designer

---

Alberta's number-one tourist destination is in search of a visionary who will work in the head office of North America's largest shopping and entertainment centre.

The Interior Designer will utilize their knowledge, skills, abilities and experience to develop, plan, coordinate, evaluate and review a variety of unique and diverse design projects and initiatives within West Edmonton Mall.

Primary responsibilities include: producing aesthetically appealing and exciting additions, enhancements and renovations to the interior and exterior of West Edmonton Mall; creating and preparing drawings, sketches, schematics and conceptual designs based on current architecture and projected developments; developing detailed plans and 3-D models using computer-assisted design (CAD) and graphical software; reviewing and evaluating projects during implementation and upon completion, which requires analysis of corporate goals, safety requirements, budgets and project schedules; researching, sourcing and pricing various design and construction materials, furnishings and fixtures; estimating overall costs and preparing overall project budgets for corporate review.

The successful candidate will have at least five years' experience in interior design in a multi-faceted commercial location, a post-secondary degree (Masters preferable) with a focus in interior design and National Council for Interior Design Qualification (NCIDQ). Applicants should be members in good standing, at a professional level, of Interior Designers of Canada (IDC) and have a working knowledge of popular computer-assisted design (CAD) software.

Interested applicants are encouraged to apply by submitting their résumés to [hr@wem.ca](mailto:hr@wem.ca). Selected candidates will be required to submit a work portfolio.
