

## SENIOR INTERIOR DESIGNER

If you are looking to experience the endless possibilities of a global design firm, look no further. At Kasian we offer the opportunity to work on innovative and exciting projects within an engaging team environment.

As a Senior Interior Designer based out of our Calgary office, you will be responsible for managing design direction, providing inspiring leadership, and contributing to business development. You bring 10+ years of interior design expertise from a variety of industries and the demonstrated ability to organize and lead large and complex project teams.

This is a hands-on position and will see the successful applicant managing a team, mentoring junior members of staff, managing workflow, and liaising with clients and consultants. Your advanced conceptual design skills will assist you in responding to the needs of our clients and ultimately provide exciting and empowering challenges to our integrated design teams. As a seasoned design professional with large, complex or institutional experience you will be expected to seek the highest standards of design and technical excellence and provide strategic project execution.

This is an exciting opportunity for the right person who wants to see their career grow from a leadership perspective.

At Kasian you'll find highly motivated team members who put relationships first and a firm that celebrates the achievements of our people. Individuals at Kasian don't just matter - they are valued and celebrated.
